

TapeMaster GUI

The TapeMaster GUI is divided into five main zones, main menu, customer filter, customer tree, inventory and associated tabs and status bar.

Main Menu

The [Main Menu](#) provides access to essential functions in TapeTrack including server connections, volume management, reporting and users.

Customer Filter

The [Customer filter](#) allows you to filter the customer list to display only customers whose Customer ID's meet the filter criteria.

Customers can also be searched by customer description by using the [Find Customer](#) function

Customer Tree

The [Customer Tree](#) provides a summary of and navigation to all of the Customers, [Media Types](#), and

Volumes on the selected Server.

These Objects appear in a hierarchy of [Server Node](#), [Customer Nodes](#) and [Media Nodes](#).
