

Users Guide

Selecting Users Guide will open up documentation to help guide you through TapeTrack Lite tasks and functions

Select Users Guide

Once you have logged into TapeTrack Lite, select "Users" from the Library Management Tasks drop-down menu.

Users Guide option is hidden by default. Edit TMSLite.cfg file, change Guide to false and restart TapeTrack Lite

Select from the links available to access the information required.

The screenshot shows a web browser window with the URL `rtfm.tapetrack.com/desktop/lite`. The page header includes the TapeTrack logo, the title "TapeTrack Documentation", and the tagline "Because there is more to tape management than you ever realized". A search bar and navigation links for "Recent Changes", "Media Manager", and "Sitemap" are also present. The main content area is titled "TapeTrack Lite" and describes it as a Windows Wizard for tape management. It lists "Supported Platforms" (Windows XP and above), "Technical Support" (commercially supported by a full-time help desk), and "TapeTrack Security" (designed with security in mind). A "Table of Contents" sidebar on the right lists links to various sections. At the bottom, a "Welcome to TapeTrack Lite™" window is shown, featuring an introduction and a brief description of the software's capabilities.

If you are running an older version of Lite you may be directed to the older html version, if this is the case the newer wiki format is can be accessed from <https://rtfm.tapetrack.com/desktop/lite>

The screenshot shows a web browser window with the URL `docs.tapetrack.com/lite`. The page is titled "TapeTrack Lite User's Guide". On the left, a "Contents" sidebar lists various sections: Title, Introduction, System Requirements, Downloading and Installing the Software, Overview, Library Overview, Library Health, Log Files, TapeTrack Filters, Barcode Scanning Window, Library Management Tasks, Scan-In, Scan-Out, Send, Recall, Manage, List, Users, Password, Upload and Download Files, Users Guide, and Get Help. The main content area features a large graphic with a woman standing next to a laptop, displaying various icons and charts related to tape management, including a "SYSTEM BACKUP" status bar.
