

Users Guide

Selecting Users Guide will open up documentation to help guide you through TapeTrack Lite tasks and functions

Select Users Guide

Once you have logged into TapeTrack Lite, select "Users Guide" from the Library Management Tasks drop-down menu.

Users Guide option is hidden by default. Edit TMSSLite.cfg file, change Guide to false and restart TapeTrack Lite

Select from the links available to access the information required.

The screenshot shows a web browser window with the URL `rtfm.tapetrack.com/desktop/lite`. The page header includes the TapeTrack logo, the title "TapeTrack Documentation", and the tagline "Because there is more to tape management than you ever realized". A search bar and navigation links for "Recent Changes", "Media Manager", and "Sitemap" are also present. The main content area features the heading "TapeTrack Lite" followed by a description: "TapeTrack Lite is a Windows Wizard that guides users with a minimal number of tapes through the process of sending tapes off-site and scanning them back in when they return." Below this is a section for "Supported Platforms" listing "Windows XP and above." A "Technical Support" section mentions commercial support by a full-time help desk staff. A "TapeTrack Security" section states that security is always in mind. A "Table of Contents" sidebar on the right lists links for TapeTrack Lite, Supported Platforms, Technical Support, TapeTrack Security, Installation, Installing, Testing the installation, and Users Guide. At the bottom, a "Welcome to TapeTrack Lite™" window is shown with an "Introduction" tab, stating that the wizard will guide users through common tape management tasks.

If you are running an older version of Lite you may be directed to the older html version, if this is the case the newer wiki format can be accessed from <https://rtfm.tapetrack.com/desktop/lite>

The screenshot shows a web browser window with the URL `docs.tapetrack.com/lite`. The page has a "Contents" sidebar on the left with a tree view of topics including Title, Introduction, System Requirements, Downloading and Installing the Software, Overview, Library Overview, Library Health, Log Files, TapeTrack Filters, Barcode Scanning Window, Library Management Tasks (with sub-items like Scan-In, Scan-Out, Send, Recall, Manage, List, Users, Password, Upload and Download Files, Users Guide, and Get Help), and Get Help. The main content area is titled "TapeTrack Lite User's Guide" and features a large graphic. The graphic depicts a woman in a green shirt standing next to a laptop. The laptop screen displays a complex interface with various charts and graphs, including a "SYSTEM BACKUP" status bar at the bottom right. The background of the graphic is dark blue with white and yellow accents.
