

Users Guide

Selecting Users Guide will open up documentation to help guide you through TapeTrack Lite tasks and functions.

Select Users Guide

Once you have logged into TapeTrack Lite, select “Users Guide” from the Library Management Tasks drop-down menu.

Users Guide option is hidden by default. Edit TMSSLite.cfg file, change Guide to false and restart TapeTrack Lite.

Select from the links available to access the information required.

The screenshot shows a web browser window with the URL `rtfm.tapetrack.com/desktop/lite`. The page is titled "TapeTrack Documentation" with the tagline "Because there is more to tape management than you ever realized". A search bar and navigation links for "Recent Changes", "Media Manager", and "Sitemap" are visible. The main content area is titled "TapeTrack Lite" and describes it as a Windows Wizard for tape management. It lists "Supported Platforms" (Windows XP and above), "Technical Support" (commercially supported by a help desk), and "TapeTrack Security" (designed with security in mind). A "Table of Contents" sidebar on the right lists: TapeTrack Lite, Supported Platforms, Technical Support, TapeTrack Security, Installation, Installing, Testing the installation, and Users Guide. At the bottom, a "Welcome to TapeTrack Lite™" window is shown, indicating an introduction to the software.

If you are running an older version of Lite you may be directed to the older html version, if this is the case the newer wiki format can be accessed from <https://rtfm.tapetrack.com/desktop/lite>

The screenshot shows a web browser window with the URL `docs.tapetrack.com/lite`. The page is titled "TapeTrack Lite User's Guide". On the left, a "Contents" sidebar lists various topics: Title, Introduction, System Requirements, Downloading and Installing the Software, Overview, Library Overview, Library Health, Log Files, TapeTrack Filters, Barcode Scanning Window, Library Management Tasks (Scan-In, Scan-Out, Send, Recall, Manage, List, Users, Password, Upload and Download Files, Users Guide, Get Help). The main content area features a large graphic with a woman standing next to a screen displaying various icons and charts, including a "SYSTEM BACKUP" status bar.
