Zone Administration

Zone Administration gives you access to the zone administration window, from which you can add, remove or alter current zones as well as view slots currently in use through the zone usage tab.

Zone Tab

the Zone tab displays current zones index, zone ID's, descriptions and number of slots per level.

Zone Tab Right Click Options

- Add
- Disable
- Edit
    - Paste (Using Selected Attributes)
- Enable
- Print
    - All
    - Labels
    - Selected
- Properties
