Selecting A Container And Adding Volumes

Adding Volumes From Windows Clipboard

Copy volume ID's to your windows clipboard,

To paste in volumes you must either select a container in the same media type as the volumes or ensure copied volume ID's are fully qualified

Right click a container and select `Properties`

Open the **Container Contents** tab.

Right click and select `Edit` → `Paste Volumes`

Click `Save` to close window.

Adding Volumes Via Scan Window
