

Movement History Tab

The Movement History Tab in the [Repository Properties Window](#) displays how many [Volumes](#) were confirmed at the selected [Repository](#) at each hour on any given day.

From the drop-down list select the required date for display.

The Y-Axis displays how many [Volumes](#) were confirmed at the selected Repository.

The X-Axis displays the hour in 24-Hour format that the [Volumes](#) were confirmed at the current [Repository](#).

When finished viewing the move list click Save, Cancel or the X at the top right of the window to close.
