

Repository Options

GUID

Allowable Volume ID's

When left blank, volumes with any allowable characters can be added to this repository. Filters can be added to force all new volumes added to conform to certain criteria.

Adding ??????L? will force all new volumes to have 8 characters including an L in the 7th position.

Adding US* will force all new volumes to start with a US prefix.

Type

Select type of repository to change display icon to match repository function.
