

Setting TapeTrack License

Overview

When initially installed, the TapeTrack Framework Server will allow up to 100 tape volumes using a free license. To add more than 100 volumes or operate with more than 100 volumes you will need upgrade your TapeTrack license from the free license key to either a [temporary license, 90 day trial license](#) or [permanent license](#) key.

Temporary License

A temporary license key will allow you to operate the TapeTrack Software without restriction, but this mode of licensing is reserved for those evaluating the TapeTrack Software or those needing a license in an emergency situation. Temporary licenses are restricted to less than two weeks.

To obtain a temporary license:

1. Open TapeTrack TapeMaster and login with the user name **tapemaster** (case sensitive) and leave password blank (or use your password if it has been changed).

2. From the menu click Help → Framework Server Licensing

3. click Get temporary license and OK

4. Press **F5** while in the customer tree window to refresh new information. Your **License Status** should now display **OK** and your expiry date should now be approximately 12 days from now.

The screenshot shows a window titled "TapeTrack License" with a close button (X) in the top right corner. The window contains a table with the following details:

Server Details	
Owner	GazillaByte LLC
Description	Production
License Key	TJTN-96UK-8CS8-TM43
Magic Number	10381360406993687953
Expiry Date	Monday, October 09, 2017
License Status	OK

Below the table, there are two expandable sections: "License Limits" and "Update Statistics", both with a plus icon in a square. The "Update Statistics" section is currently expanded, showing a large empty text area.

90 Day Trial License

To Upgrade your free license to a full evaluation license:

Open TapeTrack TapeMaster and login with the user name **tapemaster** (case sensitive) and leave password blank (or use your password if it has been changed).

From the menu click Help → Framework Server Licensing

In the TapeTrack License window change the default values to your preferred details:

Server Details

Change Owner from ACME Corp to your company name (e.g. **GazillaByte**)

Change description value to something more relevant (e.g. **Production**)

5. Set Expiry Date to new expiry (e.g. 90 days from today)

6. Change Volumes, under License Limits to desired number (0 = unlimited)

Click Apply license changes and Export license to a file to export updated license file to a known name (e.g. LicenseExport.cfg) and location.

Check the information in the config file (LicenseExport.cfg) by opening in Notepad or similar text editor and check all information has been updated and is correct. If it is not correct, delete file and repeat steps 3 to 6.

To allow you to start using TapeTrack until your new key is installed click Get temporary license and OK

Press **F5** while in the customer tree window to refresh new information (Company name etc.)

TapeTrack TapeMaster should now display your new **Owner** name in place of ACME and the lower right of the screen should display TapeTrack Server License is OK

Permanent License

A permanent license key will allow you to operate the TapeTrack software without restriction until the expiry date associated with your license occurs.

Permanent license/s to TapeTrack are restricted to those who have an written End User License Agreement (EULA) with GazillaByte.
