Modify Flags

To modify Flags, select the required Volume/s from Inventory list, right-click and select `Special Operations` → `Modify` → `Flags` to open the **Modify Flags** window.

Expand each Flag from the displayed list that you wish to modify and select `Add`, `Remove` or `Toggle`.

Each Flag value will display how many Volumes (out of the selected ones) currently have (set count) or have not (non-set count) that Flag applied.

Click `Apply Updates` to save and apply the changes.
