

Temporary License

A temporary license key will allow you to operate the TapeTrack Software without restriction, but this mode of licensing is reserved for those evaluating the TapeTrack Software or those needing a license in an emergency situation.

To get a temporary license you must have TapeMaster running on a machine with Internet access.

Temporary licenses are restricted to less than two weeks.

While logged to in TapeMaster as [tapemaster](#), or [user-ID with tapemaster rights](#)

1. From the menu click Help → Framework Server Licensing

If the menu option **Framework Server Licensing** is grayed out and inaccessible, you do not have sufficient privileges (tapemaster rights) to alter the software license

2. Click Get temporary license and OK
