Date Aging - Expiry Date

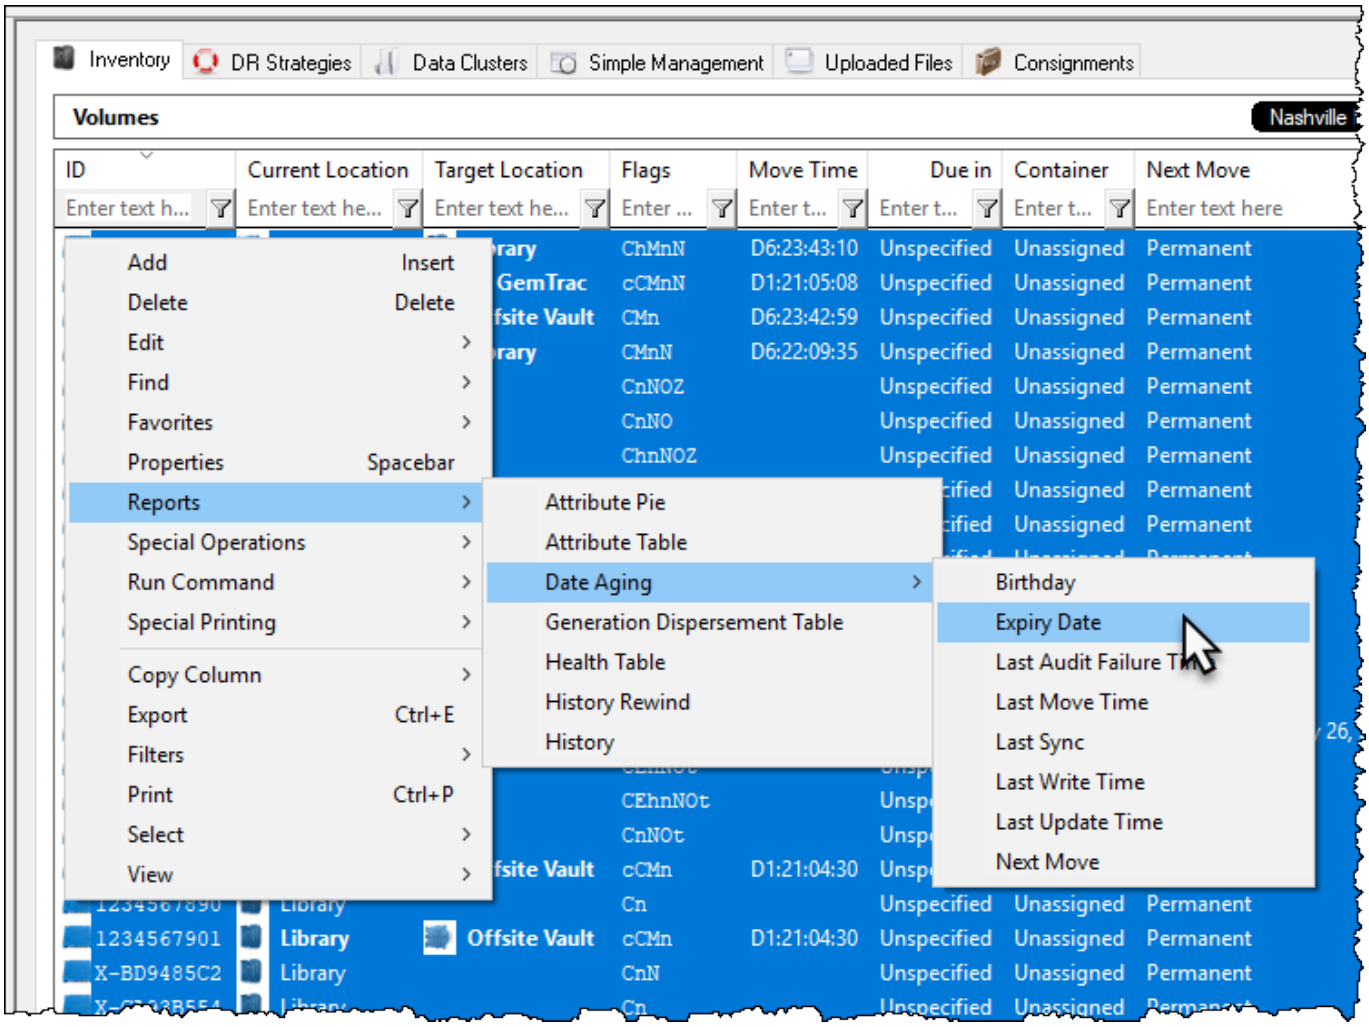

Displays a table and bar graph of selected volumes expiry date.

Selecting Volumes for Display

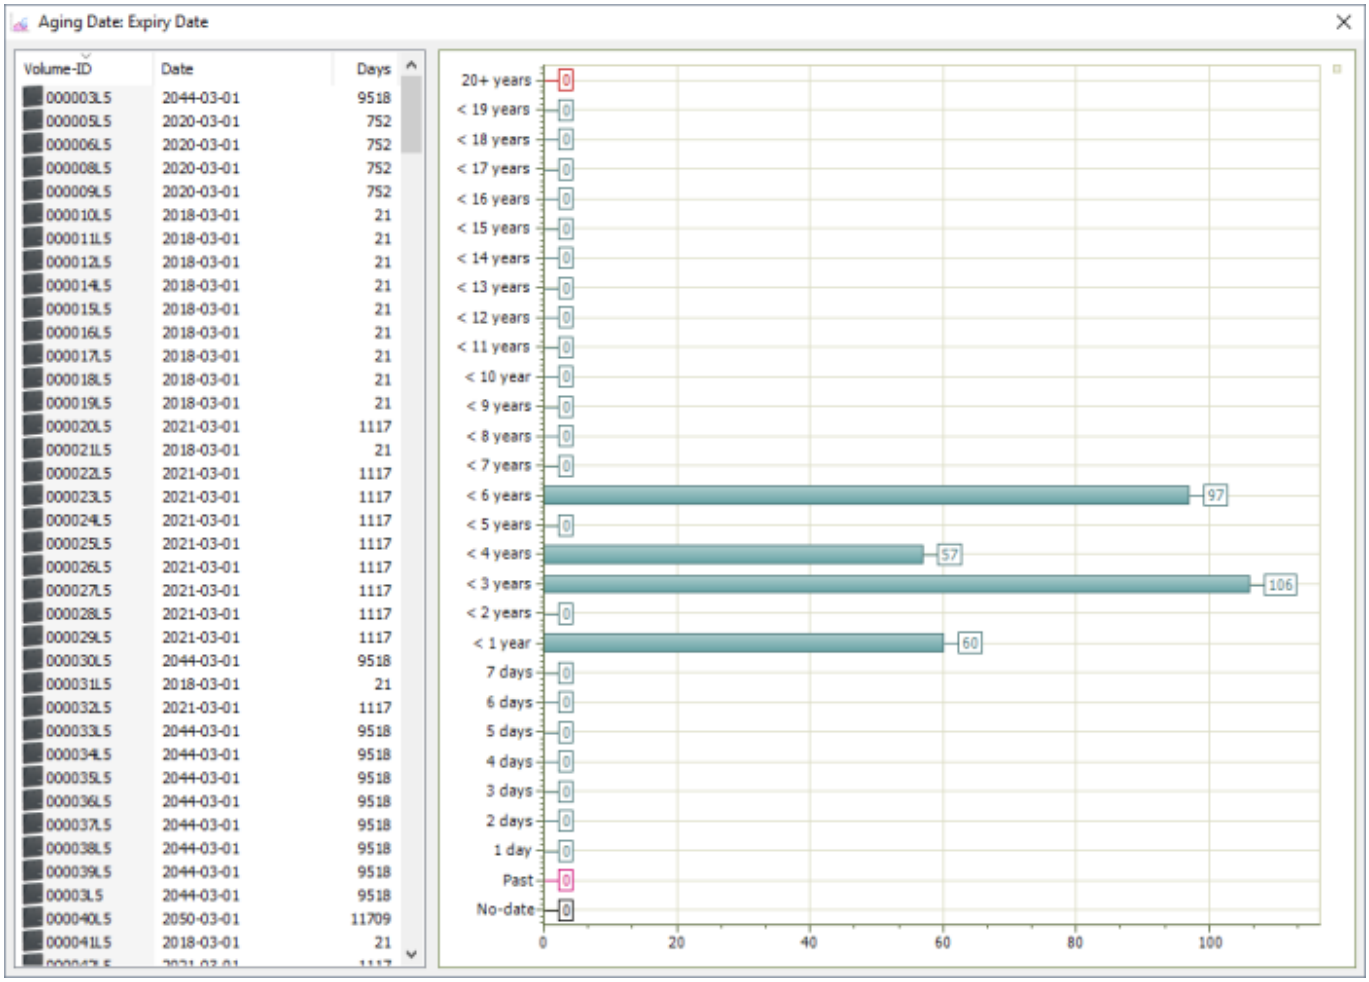

Select all volumes by right-clicking in the inventory window and select `Select→All`, or using shift+click and/or control+click select the range of tapes required.

Display Volume Birthday

Right-click the selected volumes and click `View→Date Aging→Expiry Date`.

Volumes and associated information can be reordered by Volume-ID, Date or Days until expiry by clicking on column headings. Clicking on the same heading will change the displayed order between ascending and descending order.
