

Date Aging - Expiry Date

Displays a table and bar graph of selected volumes expiry date.

Selecting Volumes for Display

Select all volumes by right-clicking in the inventory window and select **Select→All**, or using **shift+click** and/or **control+click** select the range of tapes required.

Display Volume Birthday

Right-click the selected volumes and click View→Date Aging→Expiry Date.

Volumes and associated information can be reordered by Volume-ID, Date or Days until expiry by clicking on column headings. Clicking on the same heading will change the displayed order between ascending and descending order.
