Volume History Table

The Volume History Table displays in a table format. Volumes are displayed in ID order by default.

Selecting Volumes for Display

Select all volumes by right clicking in the inventory window and select `Select→All`, or using shift+click and/or control+click select the range of tapes required.

Right click the selected volumes and click `View→History`.

Data can be filtered by using the TapeTrack String Filters

Click the X in the top right of the window to close.
