Date Aging - Last Move Time

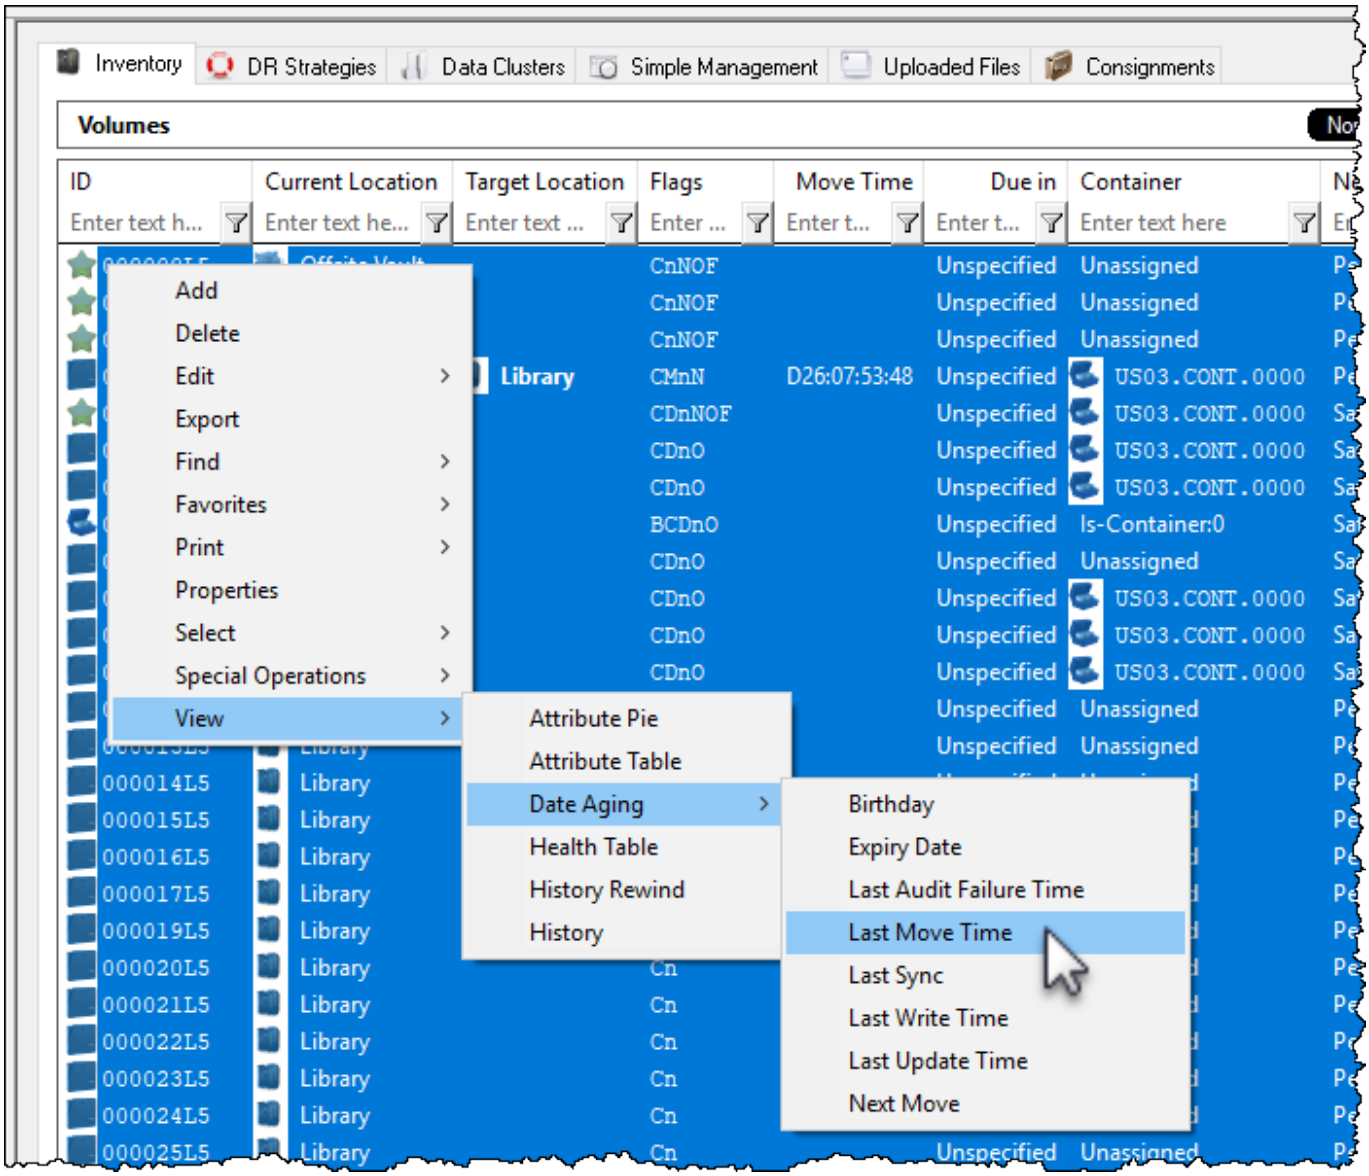

Displays a table and bar graph of selected volumes last move date and time.

Selecting Volumes for Display

Select all volumes by right-clicking in the inventory window and select `Select→All`, or using shift+click and/or control+click select the range of tapes required.

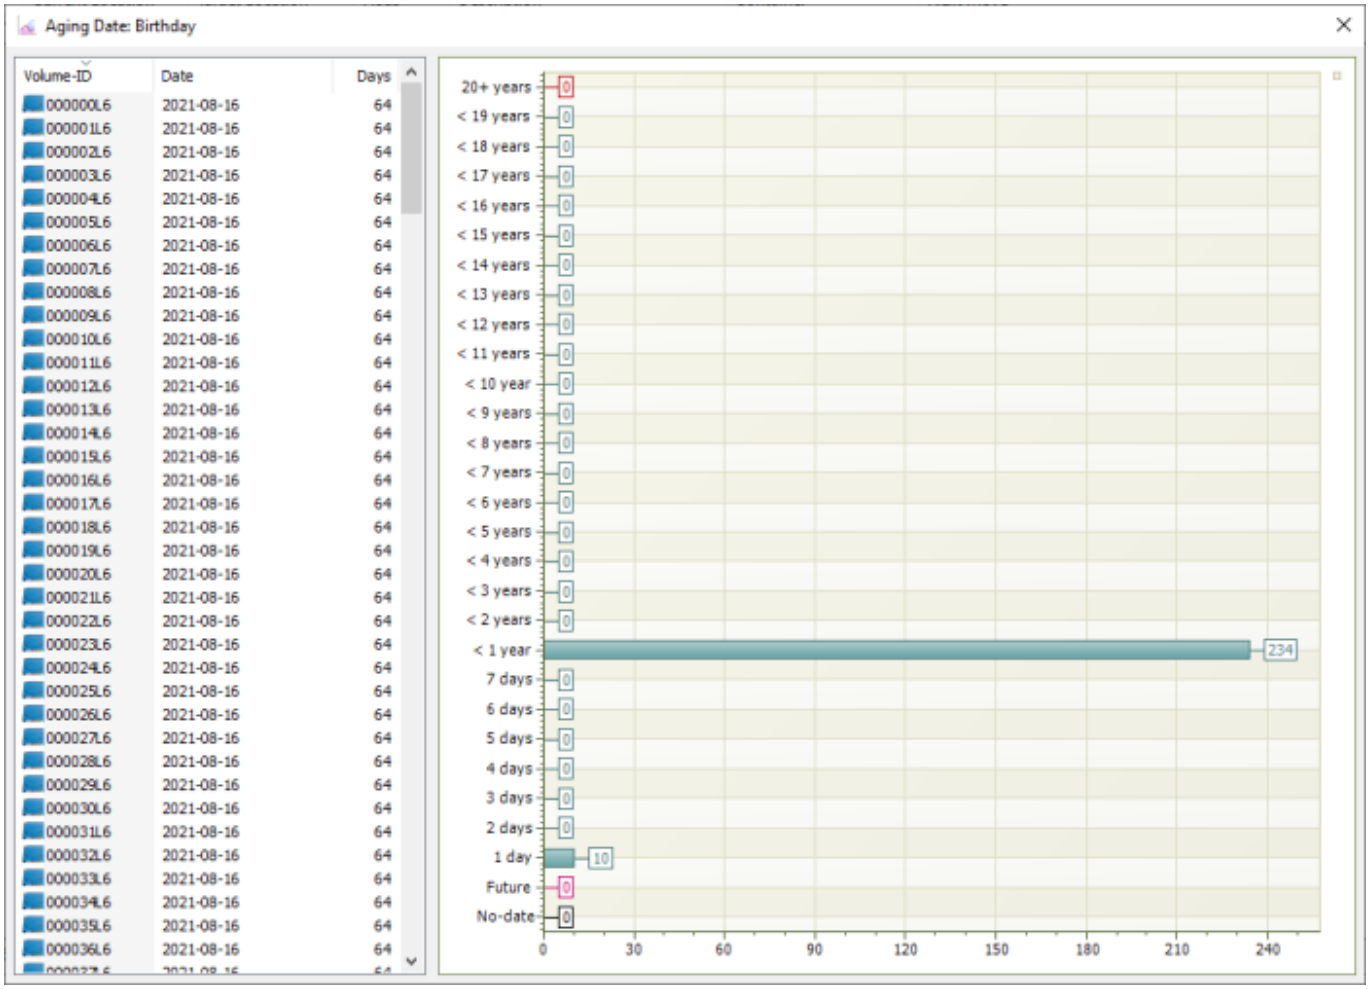

Display Volume Last Move Time

Right-click the selected volumes and click `View→Date Aging→Last Move Time`.

Volumes and associated information can be reordered by Volume-ID, Date created or Days since creation by clicking on column headings. Clicking on the same heading will change the displayed

order between ascending and descending order.

Right-Click Options

Right-clicking in the table (left) side of the report gives you the options:

- **Edit**
  - **Copy**: Copies the selected Volume-ID's to the clipboard.
- **Export**
  - **To Email**: Adds a fixed width text file with Volume-IDs, Date and time of creation and days since creation to email.
  - **To Text File**: Exports Volume-IDs, Date last moved and days since moved to fixed width text file.
- **Print**
  - **All**: Prints all volumes with Date last moved and days since moved.
  - **Selected**: Prints selected volumes with Date last moved and days since moved.

Click the X in the top right of the window to close.
