Date Aging - Last Sync

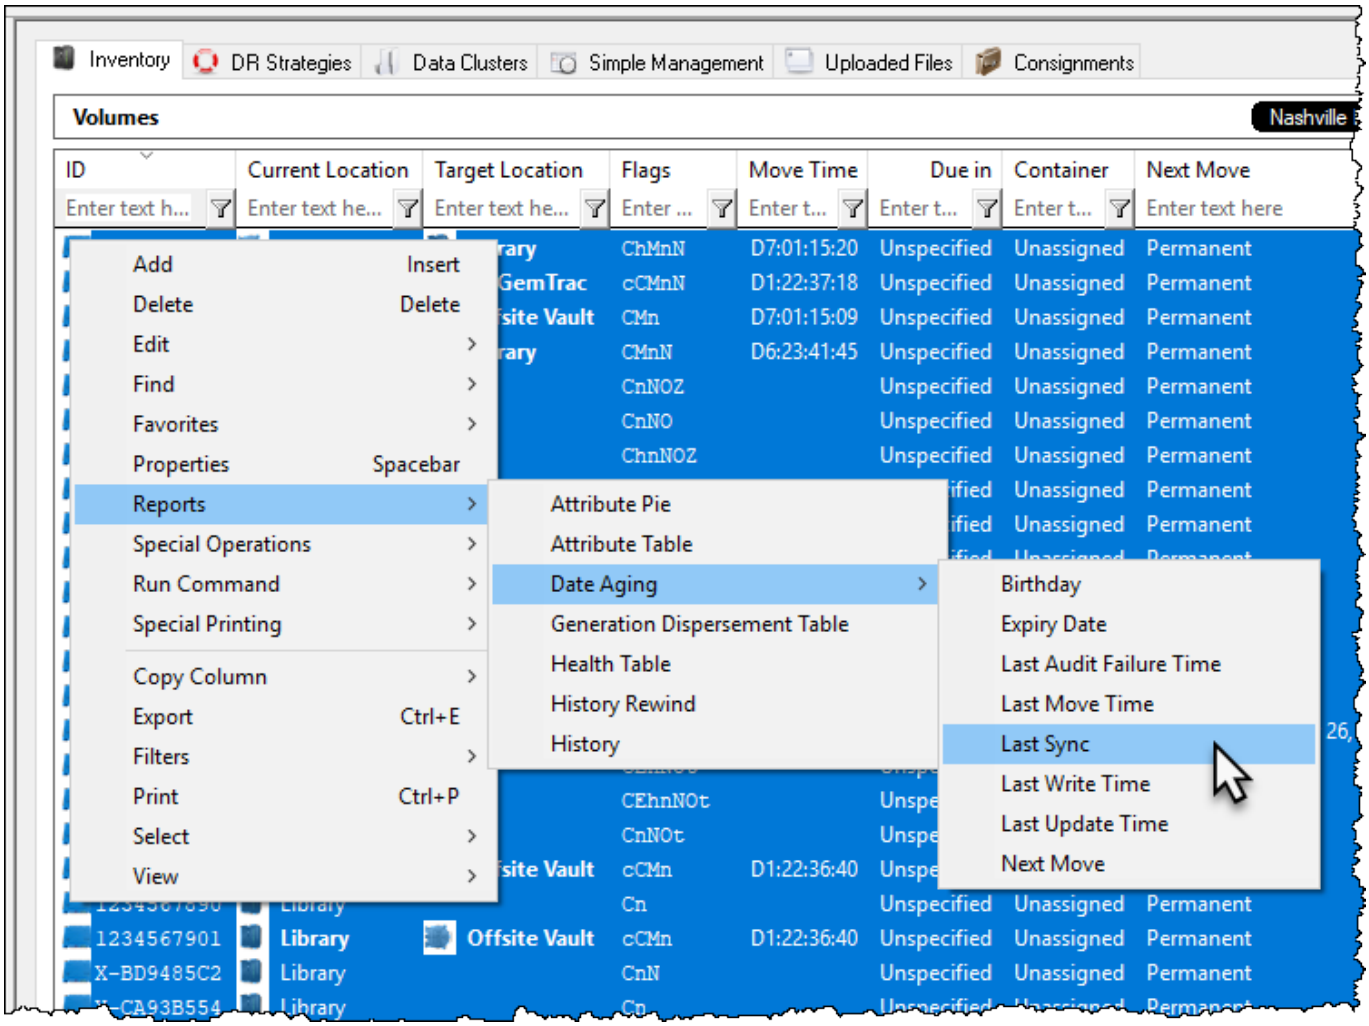

Displays a table and bar graph of selected Volumes last syncronization date.

Selecting Volumes for Display

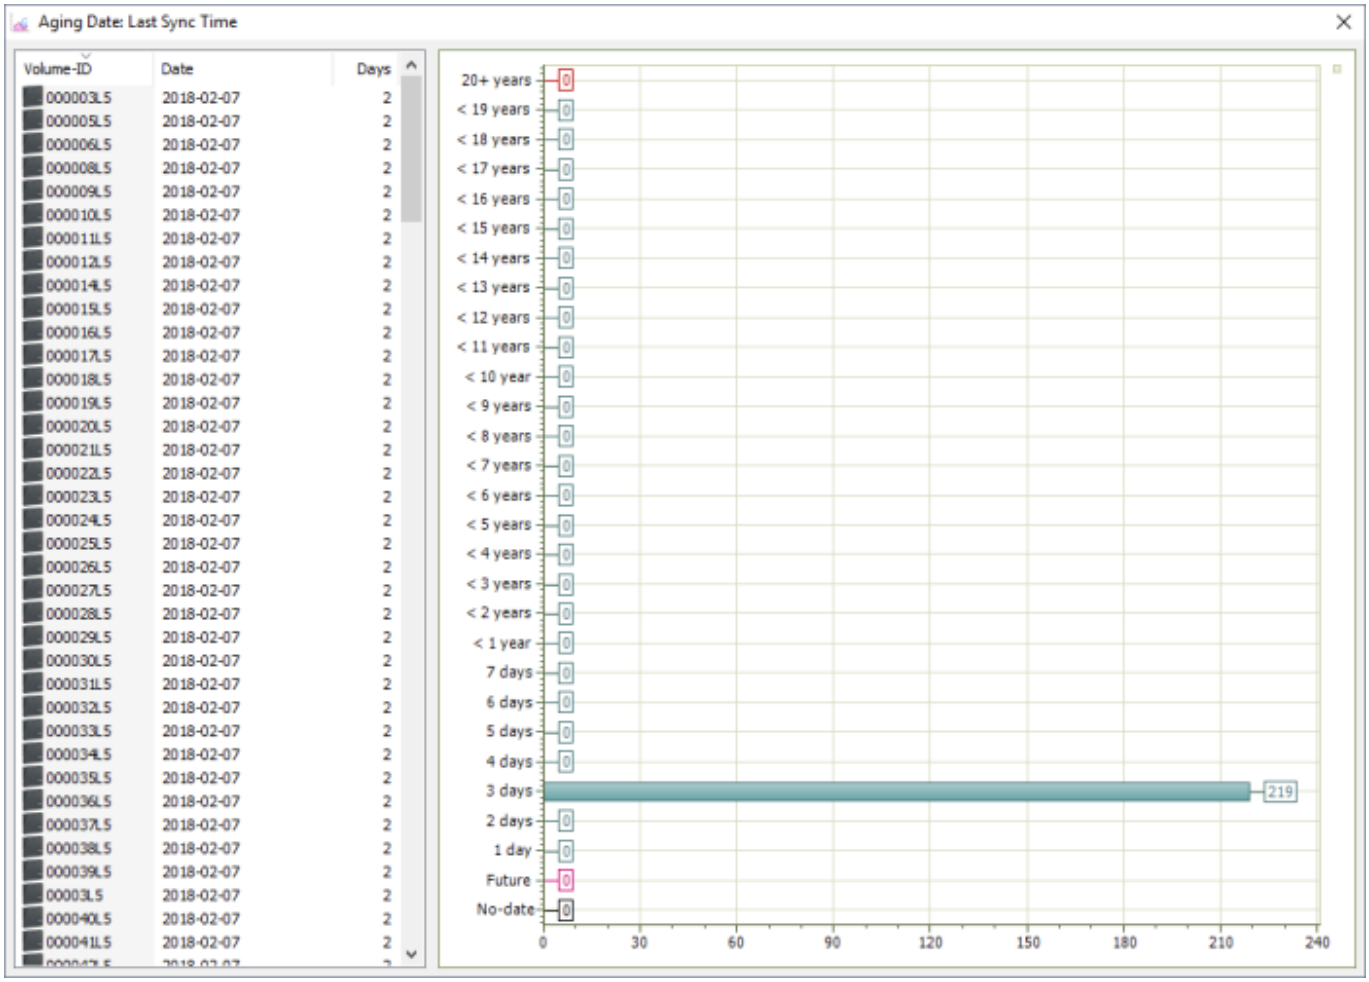

Select all Volumes by right-clicking in the Inventory window and select `Select→All`, or using shift+click and/or control+click select the range of Volumes required.

Display Last Sync Date

Right-click the selected Volumes and click `View→Date Aging→Last Sync`.

Volumes and associated information can be reordered by Volumes, Date or Days since last sync by clicking on column headings. Clicking on the same heading will change the displayed order between ascending and descending order.

Right-Click Options

Right-clicking in the table (left) side of the report gives you the options:
