Attribute Pie

The attribute pie graph displays volume attribute data in a simple easy to read format. Volumes]] are grouped by similar attribute values and displayed in a % based format with a color coded key. ===== Selecting Volumes for Display ===== Select all volumes by right clicking in the inventory window and select ''Select''->''All'', or using shift+click and/or control+click select the range of [[object:volume|volumes]] required. {{:master:tapemaster_inventory_view_pie.png

Right click the selected volumes and click `View→Attribute Pie`.

Click the X in the top right of the window to close.
