

Attribute Pie

The attribute pie graph displays **volume** attribute data in a simple easy to read format. **Volumes]]** are grouped by similar attribute values and displayed in a % based format with a color coded key.

===== Selecting Volumes for Display ===== Select all volumes by right clicking in the inventory window and select "Select"->"All", or using shift+click and/or control+click select the range of [[object:volume|volumes]] required. { [:master:tapemaster_inventory_view_pie.png

Right click the selected volumes and click View→Attribute Pie.

Click the X in the top right of the window to close.
