

Copy Extended Attributes From Existing Customer

TapeMaster now allows you to copy extended Attributes from one Customer to another saving you time, effort and enforcing data conformity over several Customers.

When you create a new Customer using TapeMaster, if the extended Attributes required match another existing Customer setting up those Attributes are now as easy as clicking a button and selecting which Customer to duplicate the Extended Attributes from.

Edit Customer: North Carolina Data Center (2/0)

Media Types User Access Options LibraryHealth
Identity Contact Details Extended Attributes

Extended Attribute	Name	Type	Required	Hidden
Extended Attribute 1		String	False	False
Extended Attribute 2		String	False	False
Extended Attribute 3		String	False	False
Extended Attribute 4		String	False	False
Extended Attribute 5		String	False	False
Extended Attribute 6
