

Certificates and Certification

In TapeTrack, a **Certificate** is a digitally-generated form that indicates whether a [Repository](#) is performing adequately or not. [Repositories](#) can either receive a Certified status or a Refused status. [Repositories](#) gaining a Certificate Refused status have Audit Failures due to either surplus [Volumes](#) or deficit [Volumes](#).

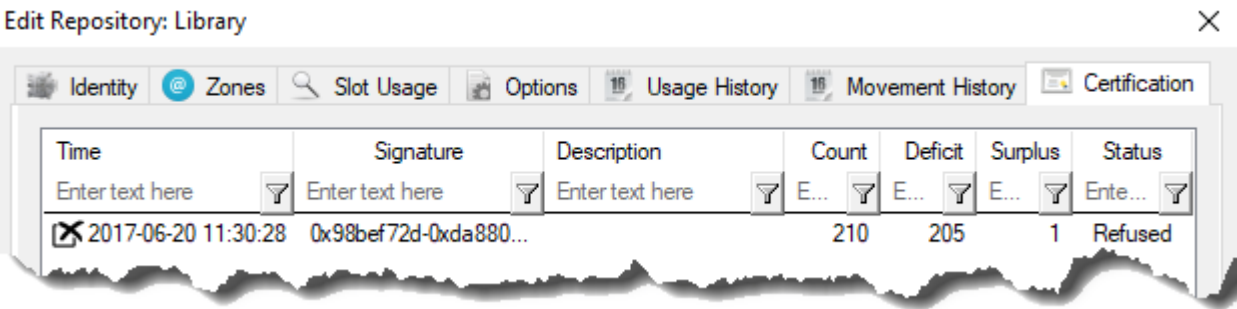

Generating Certificates

Certificates can be generated by right-clicking on a Repository and selecting Generate Certificate.

Viewing Certificates

Certificates can be viewed under the Certification Tab in the [Repository Properties Window](#).
