

Edit Connection

Open TapeTrack Desktop Software (TapeMaster, Lite or Checkpoint)

From the login screen, click the ellipses button to the right of the Server drop down box to open the TapeTrack Options window.

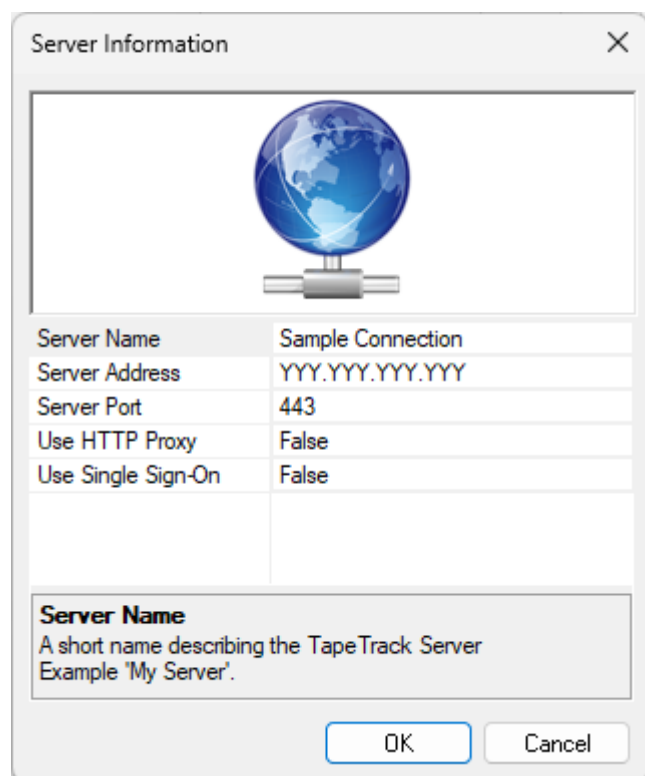

Right click the connection you wish to alter and select Properties.

In the Server Information window make any alterations required to the connections Server name,

address, port, proxy or SSO values. Changing the Server Name will change the name displayed in the drop down box when logging in but will not affect the connection data.

The 'Server Information' dialog box features a globe icon at the top. Below it is a table with the following data:

Server Name	Sample Connection
Server Address	YYY.YYY.YYY.YYY
Server Port	443
Use HTTP Proxy	False
Use Single Sign-On	False

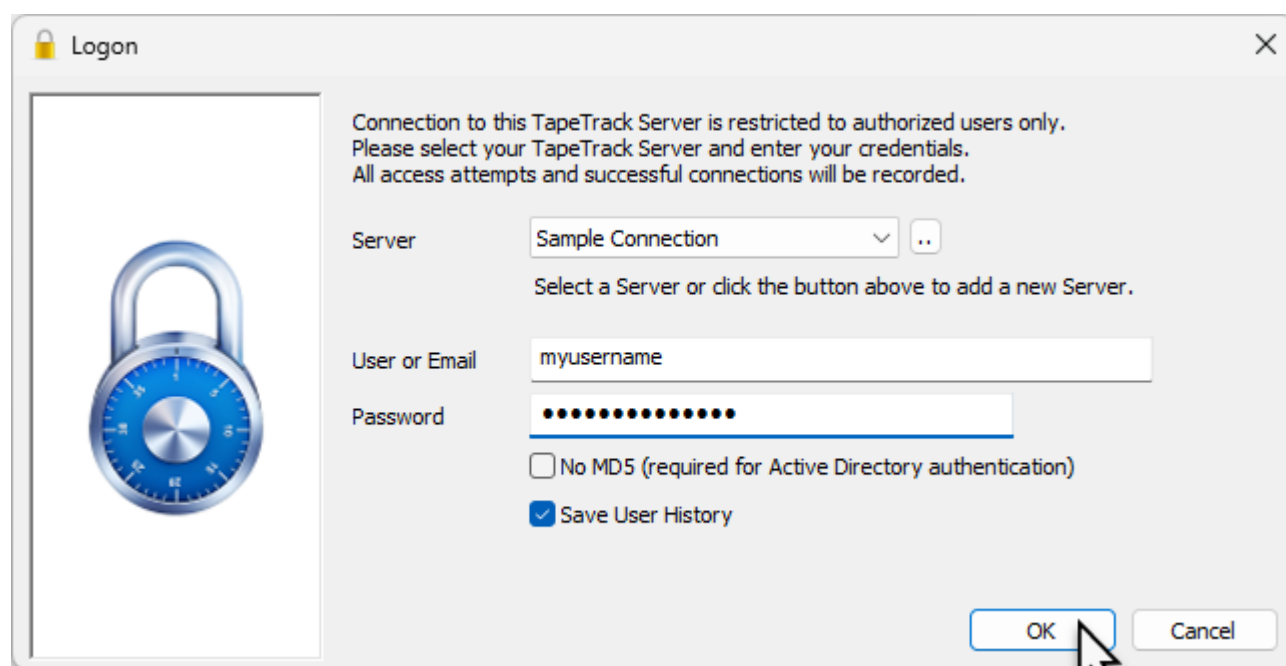

Below the table, there is a section titled 'Server Name' with the text: 'A short name describing the TapeTrack Server. Example 'My Server'.'

At the bottom are 'OK' and 'Cancel' buttons.

Click OK to save the updated data and close the Server Information window.

Click OK to close the options window.

To check the edited connection is correct, input your login details to the login screen and click OK to ensure a successful login to the Desktop software.

The 'Logon' dialog box has a padlock icon on the left. The main text reads: 'Connection to this TapeTrack Server is restricted to authorized users only. Please select your TapeTrack Server and enter your credentials. All access attempts and successful connections will be recorded.'

The form includes the following fields and controls:

- Server:** A dropdown menu showing 'Sample Connection' with a small button to the right. Below it, text says 'Select a Server or click the button above to add a new Server.'
- User or Email:** A text input field containing 'myusername'.
- Password:** A password input field with masked characters (dots).
- Authentication Options:**
 - ☐ No MD5 (required for Active Directory authentication)
 - ☒ Save User History

'OK' and 'Cancel' buttons are at the bottom right, with a mouse cursor pointing at the 'OK' button.
