

Installing Lite

Download Lite Installer

Download the executable, setup.exe, from

<https://mirror-us.tapetrack.com/releases/Windows-x64/lite/setup.exe>

Installing The Software

The TapeTrack Lite Software installs automatically via an InstallShield installer.

Locate the executable you downloaded, setup.exe, and double click to initiate the installation.

Click Next > to start the Install Shield Wizard.

After reading and agreeing to the License Agreement click I accept the terms in the license agreement and Next > to proceed

Confirm the installation directory is correct, or click Change to select another installation directory. Click Next > to proceed.

Click Install to begin the installation

Click Finish to exit the installer.
