Technote: Creating Reports

TapeTrack can produce reports two ways:

1. By selecting and filtering data in the Desktop Programs and exporting.
2. By using Command Line Programs.

Each of these options can produce reports in the following formats:

- Text
- HTML
- PDF
- CSV

Command Line Reports

Report	Description
Inventory	Produces a report of all Volumes that matches the supplied filters

Inventory Report
TMSS10LibraryHealth
TMSS10ListCatalog
TMSS10ListClients
TMSS10ListConsignments
TMSS10ListDRStrategies
TMSS10ListHistory
TMSS10ListMoveHistory
TMSS10ListOutages
TMSS10ListRepositories
TMSS10ListStorageHistory
TMSS10ListUsage
TMSS10LogStatsProcess
TMSS10MoveDateList
TMSS10MoveList
TMSS10ZoneList
