Technical Note: TMSS10Volume Delete Examples

Example - Delete Volumes From CSV List

<sxh>

<sxh> report = {

```
  format = "csv";
```

}; traversal = {

```
scanfile= { file="default.ttidef"; };
customer =
(
   {
      id="*";
      media =
      (
         {
            id="*";
            volume =
            (
                {
                   id="*";
                   skip=false;
                },
                {
                   id="*";
                   scanfile = true;
                   skip=true;
                }
            );
         }
      );
   }
);
```

}; </sxh>
